

HUMANA

Current Status:

Pikes Peak Anesthesia Associates (PPAA) and Humana have not reach agreement on rates

Humana accepted PPAA's termination letter. PPAA will be Out-of-Network on April 22, 2018 for all Humana commercial and Medicare Advantage plans.

PPAA's Out-of-Network policy* will apply to all Humana patients beginning April 22nd for surgeries at the following locations:

- Penrose Hospital
- St. Francis Medical Center
- Audubon Surgery Center (Fillmore & Union)
- Audubon Surgery Center at St. Francis
- Surgical Center of the Rockies
- Pinnacle Surgery Center

*See Out-of-Network policy at www.PPAA.com

Humana has notified PPAA that Anesthesia services at the above locations will be processed by Humana as follows:

- Humana pays non-contracted providers under Usual and Customary Regulations. Any remaining balance is the responsibility of the member.
- Humana will process both elective and emergent claims as Out-of-Network. Members may be responsible for higher Out-of-Network deductibles as defined by their plan.
- Humana has notified PPAA that the following Humana plans will have no coverage. Claims for patients with the below coverage will be denied by Humana as non-covered and patients will be responsible for the full amount.
 - Humana Medicare Supplement
 - Humana Traditional Plans (Non HMOs, Non PPOs)
- All Humana Medicare Advantage patients will be required to sign an Advance Beneficiary Notice prior to surgery.

Humana patients with additional questions should contact Humana at the phone number on the back of their membership card.
